## About Us

ATI-EnDyna JV, LLC is an **8(a) small business** Joint Venture between ATI, Inc. and EnDyna, Inc., formed to provide the critical professional services necessary to support daily operations at federal agencies, with a focus on environmental, policy and program support services. The JV is headquartered in McLean VA.

JV partner **ATI, Inc.** ([www.atiinc.com](http://www.atiinc.com)) is an SBA 8(a) certified firm with over 40 years of experience providing design-build, environmental, and facility/program management services. ATI's technical experts and managers work with government agencies, public/private institutions, non-profits and industry to solve critical problems affecting the built and natural environment. Their Federal clients include the Departments of State, Energy, Transportation, Agriculture, Defense, Treasury, Interior & Homeland Security; as well as the US Army Corps of Engineers; and the General Services Administration.

JV partner **EnDyna, Inc.** ([www.endyna.com](http://www.endyna.com)) is a policy, science, and management consulting firm working to implement dynamic solutions for the most prevalent safety, health, and environmental challenges facing the public sector. EnDyna currently provides multidisciplinary consulting services to numerous U.S. government departments and agencies. Working at the intersection of policy, science, and technology, EnDyna's mission is to bring our policy, management and scientific expertise to assist government agencies in improving health, safety and the environment.
